

June Newsletter

Greetings

Hello, I hope you are all doing well this summer! Speaking of, how can summer be halfway over already? I guess time flies when you're having fun, and this internship certainly has been a joyful experience so far. It is my hope and prayer that all of you have been blessed as much as I have.

Internship So Far...

Foristell has treated me very well while offering opportunities to learn and grow. So far, I have preached twice, taught two Bible classes, and presented two devotionals across various services. Additionally, I've had opportunities for visitations, service projects, and community outreach efforts, and Foristell's feedback has been overwhelmingly positive throughout! Since the last newsletter, a second intern, Ethan Landrum, has begun working with Foristell as well. It's been great having three of us working in close quarters, all learning from and encouraging each other as iron sharpening iron. Overall, I have truly enjoyed fellowshiping with saints at Foristell. It has been and will continue to be a blessing.

Vehicle Update

For a while now, I've been searching for a reliable and affordable vehicle, and now that I am closer to Tennessee (where I hold residence), I hope to find one soon to make registration easier. I believe I'm getting closer to a good option, and I hope you'll pray for God to provide a reliable vehicle to aid in my efforts to better serve Him. Thank you to all those who have shared prayers and funds to make this purchase possible!

Closing

All this – school, ministry experiences, the internship, etc. – is made possible by you. I am truly grateful to everyone who has prayed for me, sent words of encouragement, and financially supported me so I can grow in service to Him. It means so much to me that you have been generous enough to sacrifice your own time, thoughts, and money to support me. It is my goal and prayer to put those things to good use in the Kingdom, and I hope you will continue praying for the same. God bless!
