Wise Planning

Making plans can be challenging. What may appear to be a divine open door from God could potentially be a deceitful snare from Satan. But thankfully, not only is our Creator a wise planner (Acts 2:23), but He also sheds light through the lamp of His written word on how we should undertake planning. Here are a few thoughts from the book of Proverbs to consider when making plans utilizing the acronym WISE:

Workout Your Plans With God

Proverbs 16:3 says, “Commit your works to the LORD and your plans will be established.” We need to make sure our plans are aligned with God’s plans. For example, this doesn’t mean that God has only one specific career path in mind for us. Rather, regardless of what career we choose, we must ensure that our jobs do not interfere with God’s revealed plan for us to be holy (Ephesians 1:4).

Invest in Christ-like Mentors

Proverbs 15:22 says, “Without consultation, plans are frustrated, but with many counselors they succeed.” Given that none of us possess perfect wisdom, it’s important that we seek guidance from mature Christians. They can reveal spiritual gaps in our plans and help us navigate our options with greater spiritual clarity.

Stay Proactive With Diligent Planning

Proverbs 21:5 says, “The plans of the diligent lead surely to advantage, but everyone who is hasty comes surely to poverty.” It might seem easier to forgo planning altogether. But a reactive approach to life rather than a proactive one often intensifies challenges. Engaging in thoughtful planning combined with frequent prayer can significantly enhance our decision-making for the glory of God.

Expect God’s Plans to Never Fail

Proverbs 19:21 says, “Many plans are in a man’s heart, but the counsel of the LORD will stand.” Our earthly plans often fall short of our expectations. But if we maintain our trust in God, we can be certain that His heavenly plans for our spiritual redemption will unfold without fail and far surpass our expectations (Romans 8).

Prayers

Kayley Mendoza is home recovering from necrotizing pneumonia. Keep her in prayer.

Earlier this spring the town of Spencer, Iowa suffered record flooding and thousands of homes were condemned. The small congregation in Spencer has been working with the churches of Christ disaster relief effort to provide necessary items to assist residents in need. While this is a terrible tragedy, it has the potential to open up opportunities for the church to help the community and speak about God's love for them. Prayers are requested for the success of this outreach program and for souls to be saved.

Rick Bass is dealing with health issues. Prayers are appreciated.

Jeff Oaks’ mother, **Helena Oaks**, is home in hospice care. It would be appreciated if anyone would send an uplifting card to her. Her address is 28215 Alder Dr. Warren, MI 48088. Prayers are also greatly appreciated.

Randall Jatko, family of Chris Jatko, needs a liver transplant. Asking for prayers.

Pray for the work in **India** that it can continue to train people to spread the Good News.
