

## Invitation

Welcome everyone. We pray you will be strengthened by your visit with the Brighton Church of Christ. You are not just our guest, but you are welcome and wanted right here. Join our family of imperfect people perfected in by the blood of Jesus. Restrooms are located across the foyer near the front of the auditorium on the upper floor. If you need assistance in any way, ask any member for help.

## Mission

The Brighton Church of Christ is a spiritual family with a focus on going to heaven. We are determined to honor God, to strictly follow the teachings of the New Testament, and effectively make that teaching available to the city of Brighton and the surrounding areas.

**What’s your Goliath?  
Jared Boser  
08/21/22 - Article**

I came across a video the other day of an incredible scene: two honey badgers battling a pride of six lions. Although outnumbered, the honey badgers refused to back down from ferocious predators ten times their size. The lions thought the kill would be simple, but the footage shows the badgers walking away with a bit of swagger. The Big guy vs. The Little guy. Recently our Preschool class talked about the story of David and Goliath. We had a very special guest that night show up. These kids showed no fear at all. They lined up their marshmallow stone aimed their sling shot and took down the giant. They were fearless.

There are so many lessons from this famous Biblical story in 1 Samuel 17.

Young, inexperienced David with only a slingshot and a few stones confronted the fierce Philistine Giant who possessed brute strength and advanced weaponry.

Goliath was mocking Israel to engage in battle, but no one was willing to fight. King Saul and “all the Israelites were terrified”. Imagine the shock when David stepped up to the challenge.

What gave him the courage none of Israel’s hardened warriors possessed?

For all of Israel, Goliath dominated their vision. That's all they saw.

But David was different- he was fearless, All he saw was God.

(v. 46). "The Lord will deliver YOU into my hands," he insisted

While everyone else believed Goliath controlled the story, David believed that God loomed larger. With a single stone to the giant's forehead, David's faith was justified.

This world and Satan himself tempts us to believe that "Goliath" directs the story. We all have a goliath (its different for everyone, health, money, doubt, worry, anxiety) and you

could even be facing multiple goliaths- just like the Honey Badgers.

### **What We Can Not forgot:**

No matter what we face - God is larger...when He dominates our vision, there's nothing else left to focus on.

What Goliath overwhelms you these days? How can the power and presence of God transform your perspective?

You've got a problem? God is bigger. You've got worries, or stress? God is better.

No matter what, God looms larger. No problem or obstacle is too big for Him.

### A Note From Our Elders:

To our Brighton family,

We wanted to reach out to you to share with you our plans moving forward. We are inviting students from the Bear Valley Bible Institute to preach for us on the first two Sunday mornings of each month (they are not "trying out" - they are filling in). Ron Jensen will be preaching most of the other sermons.

We have started our search for a full-time minister and ask that you continue to keep this effort in your prayers. The adult Bible classes will be taught by various men of the congregation on a month-by-month basis. Thank you to all who have volunteered to teach our classes! We would like to ask all of our members to make a special effort to attend as many of our classes and worship services as possible to support and encourage the congregation, especially during this time of transition. We know that you will greatly benefit from these studies.

See you all on Sunday!
