

## Bible College News

And the things you heard of me among many witnesses, the same commit thou to faithful men”2 Timo. 2:2

The anonymous help from the Meadowlark church of Christ came just in time 3 staff members were to be discharged from the hospital. They were tested corona positive and were hospitalised. New water well to the Bible College was drilled with the same help. 2 other teachers were tested corona positive 5 months ago. 1 died in the hospital and 1 was fully recovered. 19 students were tested corona positive and all of them fully recovered.

Over the years 1800 preachers were sent out from this college. The concept of servant leadership was taught by word of mouth example

Setting example. Glad to see them practice that concept wherever they minister. More so during the pandemic time. Divers class settings and baptisteries.

God let over 100,000 to obedience to the gospel.

The graduates of the preacher college gone to over 1700 places and established the church

Your prayers and financial support needed for the training of preachers and send them to the harvest.

Thanks to everyone involved in this ministry

In Christ
