

DISASTER RELIEF NEWS

Chennai floods 2021. While people are still dealing with the virus spread on 8th of November the nonstop rain caused most part of Chennai flooding. Brethren started doing relief work within hours.

Rice distribution at Naduvankarai. Thousands of people lost their belongings. K. David the preacher there brought about 400 people to receive rice and bread. Each one of them thanks the Lord for the help through the church.

Drainage canal overflowed into the housing area. 5 church member families evacuated. Food and clothes made available to them and another 100 families in that area.

Distributing food and rice to the flood affected.

All the water catchment lakes are full to the capacity. Inflow of water into the lake continues. Rain predicted for another two days. If they open the shutters that will is

more flooding.

The Lord helped us to do relief work during the floods in 2015. Not only help with food, clothes, medicines and temporary places to stay we were able to help with Manual work like drying their flood affected homes. In the steps of our Lord Jesus

Hundreds of people thanking God for the flood relief kits distributed.

2001 Gujarat was hit by an earth quake. Relief items were sent in trucks from Chennai. The world vision was of much help in distributing the relief items to the real affected people.

The Lord has used us in a big way for tsunami relief in 2004, earthquake relief in Indonesia in 2005, earthquake relief at Indo pak

border in 2005, cyclone relief in Myanmar, earthquake relief in Sikkim, cyclone relief in Chennai, flood relief in Kerala and in covid-19 relief work.

Today our school teachers cooked food for 150 people and they are on their way now to distribute it to the affected people. During the virus spread and lockdown also teachers from 4 schools involved heavily in relief work and I am thankful. I appreciate prayer partners and donors.
